COMMUNICATION

Transaction Card

DC 1

A rectangular box representing a transaction card. Inside the box, the words "Name" and "Address" are stacked vertically on the left side. Below these labels, there are two horizontal lines representing input fields. A curved line points from the label "MS" below the box to the bottom edge of the box.

MS

DC 2

A rectangular box representing a transaction card. Inside the box, the words "Name" and "Address" are stacked vertically on the left side. Below these labels, there is a horizontal bar composed of many small vertical lines, representing a barcode or data strip. A curved line points from the label "BC" below the box to the bottom edge of the box.
